

# JOSE BAXTER

## Coach and Consultant

"Jose joined the Everton Youth Academy at just six years old, and a decade later, he made his first-team debut. Few understand the value of development better than he does. With over 20 years of experience in football as both a player and coach, Jose holds the remarkable distinction of being Everton's youngest Premier League starter. Over the course of his career, he has played more than 200 professional matches, represented England at the youth level, and, as a UEFA A and Elite Youth licensed coach, has been pivotal in nurturing and developing top-tier talent within Everton's youth academy. He is deeply aware of the importance of creating the right environment and surrounding young players with supportive and positive people to help them thrive both on and off the pitch."
